RULES & REGULATIONS FOR EXAMINATIONS AND PROMOTIONS

1. The Examination will be conducted by the Controller of Technical Examinations, Directorate of Technical Education, Thiruvananthapuram at the end of each semester.
2. The course fee should be remitted within the date announced by the Controlling Officer. Otherwise a superfine of Rs.25/- will be imposed for every fortnight.
3. Candidate will be given 3 chances including the Regular Examinations. If even after the 3 chances he or she fails to get pass mark in the subject, he or she has to appear for the exam in the subject or in the subject declared as equivalent, as per the revised syllabi either by attending classes conducted by the centre or by self study.
4. Candidates for the certificate in offset Printing Technology Examination must have completed the respective course of study acquiring not less than 80% of attendance in each semester.
5. Shortage of attendance up to 15% can be condoned as per existing rules in deserving cases on payment of prescribed condonation fee on the recommendation of the Managing Director, Kerala State Audio and Reprographic Centre, Thiruvananthapuram.
6. No candidate will be eligible to register for any semester examination unless he/she secure a minimum sessional mark of 50% in each subject in the semester.
7. The candidate should repeat the entire semester if he/she fails to fulfill the above conditions even in one subject.
8. The candidate should have registered for the first semester examination to undergo the second semester.
9. Candidate will not be allowed to appear for examination piecemeal. If in case this happened, the candidate's registration shall be automatically cancelled at any stage of the examination process.
10. Supplementary examination fee Rs.200/- per paper is to be charged subject to a maximum of Rs.600/- per semester.
11. There will be provision for the cancellation of the candidature for an examination provided an application is to be given to the controller of Technical Examinations within 7 days after the conduct of last paper in the theory examination.
12. There will be provision for revaluation of answer books of theory examinations provided an application is given to the controller of Technical Examinations within 15 days after the publication of examinations results, along with the prescribed revaluation fee.
13. There will not be any revaluation for practical subjects
14. Candidates who secure not less than 40% marks in theory paper and 50% marks in practical will be declared to have passed in that paper.

15. Candidates who pass all papers of one semester and secure not less than 100 in the sessional in each subject will be declared to have passed the examinations.
16. Aggregate marks for two semesters in the first appearance will be taken for awarding class.
17. If a candidate fails in a subject and passes in the subsequent attempts, the minimum for pass in the subject will be taken into account for awarding class, irrespective of his/her actual marks.
18. Candidate who pass the second semester examinations in one sitting and secure 75% marks and above in aggregate will be placed in First Class with Distinction.
19. Candidate who pass the second semester examinations in one sitting and secure not less than 60% and below 75% will be placed in First Class.
20. Candidate who pass the second semester examinations in one sitting and secure not less than 50% and below 60% will be placed in Second Class.
21.
 - a) All other candidates who pass will be placed in the pass class.
 - b) If a candidate fails in second semester, and has secure not less than 60% marks in the second semester, he/she has the option to write the failed subjects alone or repeat the final examination in full in the next chance. In the latter case the candidate is eligible for First Class / Distinction as the case may be depending upon the marks secured in the second attempt. In the former case the student will be placed in pass class only if he/she passes the examination.
22. If a candidate discontinues the course, after completing one semester and then leaves the course, he or she shall be considered for the award of Certificate in Printing Technology only if he or she shall complete the course within a span of 3 Years, from the date of his or her absence from the course.
